SHORT TERM MISSION OPPORTUNITIES

2011 is going to be an awesome year where we walk together by faith and not by sight. God has opened doors for us to serve three of our own missionaries on the field. Please pray and consider whether you are to **GO**, to **PRAY**, to **GIVE**, to **SEND**. We are working on exact itineraries and costs, but we are committed to see what God can and will do when we give HIM the opportunity.

APRIL

New York Tim and Julie Sigman

LATE SUMMER

Costa Rica Steve and Gay Mean

EARLY FALL China

Evan and Kristie Burns

These three trips are critical in casting our vision for sustainable and reproducible ministries. In Mark 10, Jesus asked the blind man, "What can I do for you?" and his reply was, "I want to see." Today let that be the cry of our corporate heart, "Lord we want to see!" We want to see **YOU** at work. We want to see **YOU** work in us and through us. We want to see people come to the cross for the first time. We want to see **YOU** stretch us in uncomfortable ways. We want to see **YOU** put us in positions where all of our dependency is on **YOU**, and **YOU** alone.

Why Be Missional? (Ro 10:14)

"How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? And how can they preach unless they are sent? As it is written, 'How beautiful are the feet of those who bring good news!'"
