HERE

We will be publishing additional information on the Liberty Lake Community Church website in the very near future (watch for the campaign logo that you see on the right). If you have not visited our website ([www.libertylakechurch.com](http://www.libertylakechurch.com)) please take a few minutes to see what is already out there for your use.

There are three more campaign newsletters in the works following this one. We hope to have the capability for distributing these issues as Enewsletters. If the church does not have your current email address, we would like to request that you provide it on your Communication Card during the church services so that we can be sure and include you on our online distributions.

## Mark Your Calendars!

The Special Events Committee will be responsible for the celebration banquet which will take place on **Sunday, February 25th**.

The purpose of this event is to share vision, encourage, motivate and commemorate our congregational campaign effort. We have selected **The Mirabeau Park Hotel & Convention Center** as the location for this important event. It's sure to be a fun-filled evening. Please mark your calendars. More details will follow as this event unfolds.

*Kathy Pegram – Special Events Chair*

Liberty Lake Community Church • 8th & Garry, Liberty Lake, WA 99019

# BUILDING ON A LEGACY

## IT'S ALL ABOUT STEWARDSHIP

As you study the connection between your wallet and your heart, learn how money management is a powerful tool for shaping your character and enriching your walk with Christ.

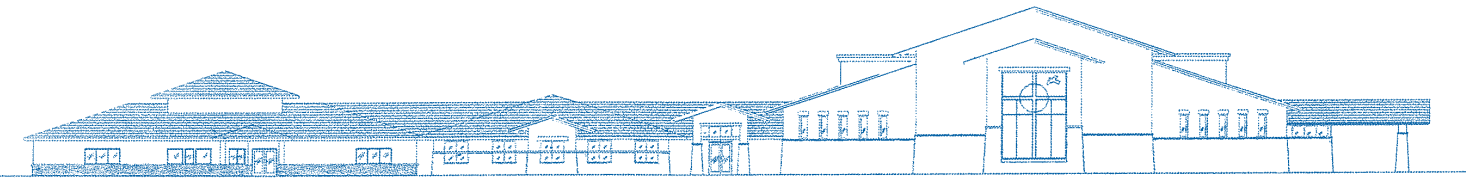

How does money relate to your relationship with the Lord? A class entitled "Money and Possessions in Eternity's Light" will be taught by Tom Brubaker during the Discipleship Hour (9:30-10:30am) on Sunday mornings starting January 7th. All high school students and adults are welcome to attend.

Tom Brubaker –  
Stewardship Education Chair

## CAMPAIGN QUESTIONS & ANSWERS?

Many great questions have been asked. Please read below to find the answers to many of the most frequently asked questions.

- 1) *How much is the new facility going to cost, and of that how much will have to be raised in the campaign?*  
The new facility will be built in 2 phases and the first phase is estimated to cost between \$2 and \$2.8 million dollars. We are hoping to raise \$750,000 in our Ministry Campaign.
- 2) *Over what period of time are we to plan our donation, or can we do one lump sum?*  
We are asking everyone for a 3-year commitment but in reality, people can give any way they want, including lump sums. The process of building a facility is an on-going process which will take sacrificial giving.
- 3) *When will we break ground on the church and when is it targeted to be complete?*  
It is estimated to take 6-8 months to construct (depending on the time or year we start).
- 4) *How much growth opportunity (congregation size) will the new church provide for in comparison to the current church size?*  
Our current facility will seat a maximum of 160-180. The community/worship center in Phase 1 will seat 300-450. The formal worship center in Phase 2 will seat 300-500.
- 5) *When and how do I give and/or commit my money?*  
At the banquet to be held on February 25th we will be laying out the vision and providing procedure. Everyone will have the opportunity of getting a pledge card, praying on it over a week, and returning it to the Church in March.
- 6) *Why is "Imagine a Place" called a ministry campaign rather than a capital campaign?*  
There is a difference between a capital campaign and ministry campaign. A capital campaign is simply about raising money. A ministry campaign is about Christian growth. If our campaign were viewed only as a means for the creation of capital, it would be a tragic failure. Our ministry campaign is intended to raise the level of the congregation's faith in God, broaden the congregation's vision of God's power and presence, and deepen the congregation's love for those without Christ. The raising of funds and building of a new facility are useful "tools" to help us grow in these vital areas, as well as our own relationship with the Lord.
- 7) *Who is managing the finances and funding for the new church – that is, who will manage this money on an ongoing basis?*  
The building committee will manage the disbursement of the funds based on a management system approved by the Elder Board.
- 8) *In addition to the ministry campaign, where will we get the remainder of the funds to build the new facility?*  
We will sell the current real estate assets, and borrow money from the bank for the construction loan and interim financing as needed.
- 9) *When will we sell the current church?*  
Once we have a timetable for construction we will actively market the Church and other real estate. We will try to time the sale so we don't have to move to an interim site.
- 10) *Are we going to have enough parking?*  
We have planned for nearly twice as many parking spaces as the City of Liberty Lake requires and have some contingency for extra spaces if needed.
- 11) *Are any of the funds from the Stepping Stone School being used to pay for the church, the land or the construction of the new church?*  
The school and childcare organization has a separate budget that provides for payment of the operations of the school and payment of the note due for the purchase of the school building. There are no Stepping Stone funds being used to pay for the church land. The school is a part of the church but is running a separate budget unless there are shortfalls at which point the church would be required to pay the differences.

## BUILDING COMMITTEE PAVING THE WAY

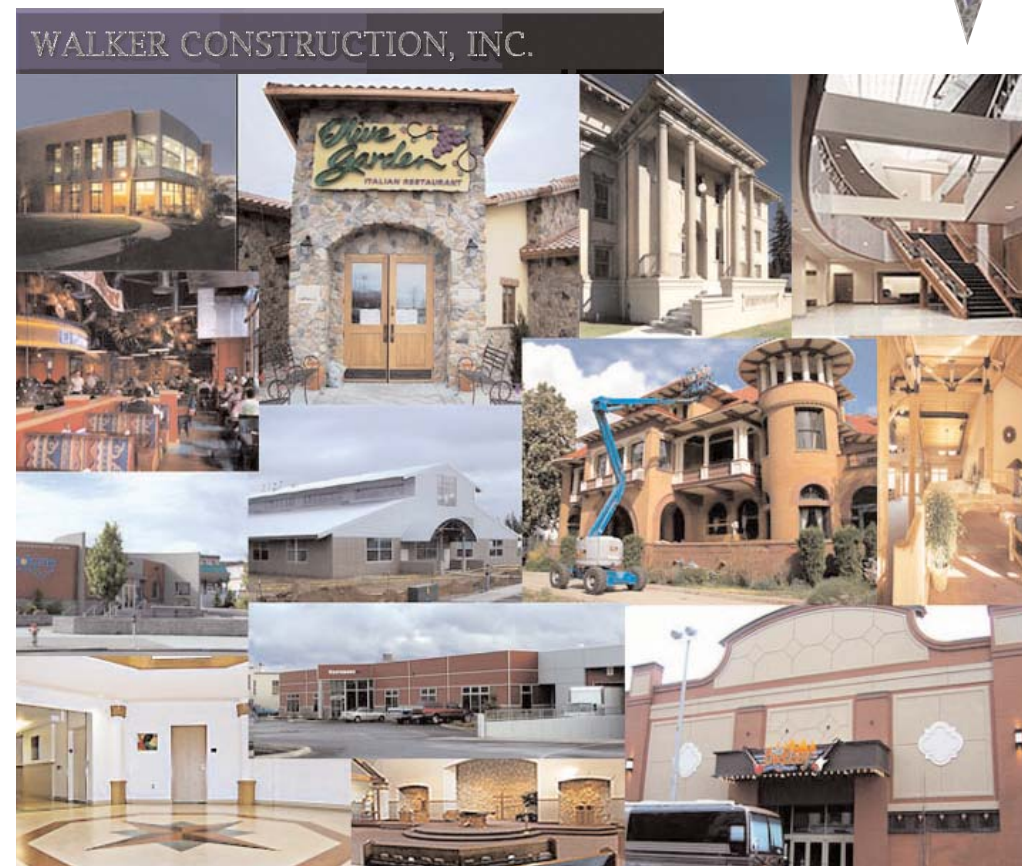

Great News from the Building Committee – Don Walker, after months of reviews and deliberations over many highly-qualified resumes of builders, the Building Committee has officially chosen Walker Construction as our builder for the new Church facility. More information will follow.

Walker Construction has had their hands in building some of the area's most recognized facilities. Specifically, Walker

Construction has built over a dozen Church facilities. So, we are very happy and confident in our decision to select Walker Construction for the construction of our new Church facility.

**What can you do?** Pray • Pick a committee or group, get involved • Ask questions and give input.

Don Walker – Building Committee Liaison

## A CALL FOR PRAYER

Imagine a Place that we can become the Disciples God has designed. Let us go on an adventure together. The Prayer Committee invites you to follow the 50 days of Faith with 50 days of prayer. A booklet has been put together and will be ready to hand out on Jan. 7. They will also be in the Church office and Worship Center foyer.

The adventure gets even better. **How would you like to participate in a Prayer Walk and Chili Feed?** Keep Jan. 21st (Sunday) on your calendars. More information will follow.

As we seek God's guidance may prayer participation illuminate our imagination to "Imagine" a place that can further our ministry to friends, family, and the community of Liberty Lake and the surrounding areas.

Sandra Coultrap – Prayer Team Chair

A new command I give you: Love one another. As I have loved you, so you must love one another. By this all men will know that you are my disciples, if you love one another.

(John 13:34-35)
